"PREP FOR PRIMARY CLUB"

(Reception children only)

Dear Parents -

As the Reception children prepare to move **up and on** to Primary School, we will be offering a specialist class in the afternoons (Wed & Fri) to give children an extra boost to ensure they're **more than ready** for the next stage of their education. With a low child-teacher ratio, the Prep for Primary Club will focus on each child's individual strengths and weaknesses, building on the skills and knowledge they have gained in the morning programme. The benefits of having your child join this club include:

- lessons and activities tailored to each individual child, giving them the specific support they need
- small class size (maximum 10)
- prepares children mentally, emotionally and physically for full-day school
- emphasis on language, literacy, and mathematics
- focused, skill-based lessons including: hand-writing, pre-reading, phonics, numeracy, problem-solving, basic math concepts, etc.

Limited Space! First Come, First Serve!
