

WoodlandPre-Schools

New for Summer 2016!

For Pre-School children up to 7 years (Mon to Fri)

Summer Sports & Games Programme (4th July to 12th August)

Optimise your child's fitness this summer!

In order to play any sport children need to build a foundation of fundamental skills. Exercise has been found to have numerous beneficial effects on physical development and psychological health benefits in children. During our programme children will develop their fitness levels - building strength, flexibility and endurance. They will also learn the importance of healthy eating and hydration.

Children will develop skills such as;
ball skills - throwing, catching, kicking & dribbling,
balance, co-ordination & agility skills,
co-operation skills including teamwork and sportsmanship.
We will participate in some active board games too!

All in a fun, interactive way!
