

Monster Tennis® is a tennis specific physical play program designed for children aged 3 - 10 years old. It is aimed at giving children their very first experience to the game of tennis. The program is designed to bring kids into the game by utilizing specialized equipment, shorter court dimensions, and other teaching aids, all tailored to the child's age and size. With this program, your child will be taught the basics that will help them to develop:

- Hand-eye coordination
- Ball tracking skills
- Improve concentration and focus
- Stroke fundamentals and basic movements
- But most importantly, your child will have LOTS OF FUN

Attending Monster Tennis® Program has many benefits for children and their parents. Some of which are listed below:

- Improvement of balance and co-ordination skills
- Development of cognitive skills
- Development of social and emotional skills
- Enhance muscle and bone development
- More body awareness and an understanding of the benefits of exercise
