Woodland Pre-Schools

With 9 centres across Hong Kong, Woodland has become a trusted and well-regarded preschool for parents in the territory for 39 years. 'We are delighted to win this award as we are committed to serving out community with high quality education,' says Curriculum Coordinator Carrie Johnson. 'A readers' choice award comes directly from the people we are working with and so it really does make it extra special. This truly validates all the hard work that the teachers put in with the children - we have some amazing staff who deserve to be recognised. This year we're focusing on making our Summer Fun program extra special with new activities that will take the children on some truly magical adventures.'

The Summer Fun Programme runs from July 3 to August 11 and is open to all children aged 6 months to 7 years. In addition, children between 2.5-6 years old can get a week's free trial of Woodlands Pokfulam Preschool until May 31, before committing to join.
