## Woodland Sai Kung Pre-School

Woodland Sai Kung Pre-School wins “Best Preschool” in our Sai Kung Readers’ Choice Award 2017. Located in Marina Cove, the Sai Kung school includes a spacious outdoor play area for children to explore. With nine schools spread out across Hong Kong, Woodland has become a trusted and well-regarded pre-school for parents for the last 39 years. “We would like to extend our heartfelt thanks to all readers for voting for Woodland Sai Kung Pre-School. The ‘Best Preschool Award’ is such an honour and most importantly, it’s very encouraging for us to be certain with the quality of early childhood education we provide,” said Angela Chan, Head

of Woodland Sai Kung Pre-School. “This truly validates all the hard work that the teachers put in with the children as we have some amazing staff who deserve to be recognised. We are committed to serving our community with high quality education. A readers’ award comes directly from the people we are working with and so it really does make it extra special.”
