Woodland Pre-schools

With 10 schools across Hong Kong, Woodland has become a trusted and well-regarded pre-school for parents in the territory over the past 30 years. This past year at Woodland has seen the group partnering up with Kids4Kids and Crossroads Foundation in a donation campaign to collect stationery and

computer equipment for children in low income families, as well as host a number of educational seminars on topics including language development and raising resilient children.

“We are extremely pleased to have been voted Best Kindergarten for a third year in a row”, says Ina Lester-Smith, Curriculum Coordinator. “We would like to extend our deepest gratitude and sincere thanks to our Woodland parents for trusting us to deliver the highest possible standard of education in Hong Kong”.
