

Saturday Playgroup

For children aged 18 months to 2 years 4 months (accompanied)

Building upon the Wrigglers programme, Playgroup offers a fun, flexible, stimulating and challenging curriculum which gives children the confidence and foundation skills they will need for the transition period. The class offers an engaging introduction to pre-school life and is an invaluable experience for both the child and the adult.

Playgroup classes are for children aged 18 months to approximately 2 years 4 months, accompanied by an adult so that we can maximise the child's confidence and participation levels.
