

# Saturday Wrigglers

For children aged 12 to 18 months (accompanied)

Based on the Rollers class and adapted for older children, Wrigglers is a fun-filled programme which promotes your child's physical, sensorial and social development alongside sparking their creativity.

Wrigglers classes are for children aged 12 to 18 months - crawlers to beginner walkers. We encourage you to take part in our activities where appropriate. As with our Rollers classes, your child will have the opportunity to interact in a group and enhance their natural skills of balancing, rolling, rocking, pulling and pushing, climbing and supporting their own body weight. Over time your child will learn to integrate and socialise with other children of the same age. We cover all areas of child development in this play-based programme.
