Woodland Pre-Schools
Since 1978

Temperature and Rapid Antigen Test Record Sheet

(Monthly record, can be attached to the student handbook)

1. Parents/Guardians should take their children's temperature before going to school every day. For normal body temperature range, please refer to the "Reference Range for Temperature Screening" in the "Guidance Note on Monitoring of Body Temperature" by the Centre for Health Protection. Please browse https://www.chp.gov.hk/files/pdf/guidance_note_on_monitoring_of_body_temperature.pdf When the student has fever, he/she must not attend school and should consult a doctor promptly, apply for sick leave, stay at home and take rest.
2. Parents/guardians have to assist their children to complete a Rapid Antigen Test every day in the morning. Students can only return to school after getting negative results. If tested positive, they must not go to school but should inform their schools of their positive results as soon as possible and stay at home. They should also report to the Department of Health as soon as possible within 24 hours via the "Declaration System for individuals tested positive for COVID-19 using Rapid Antigen Test" (https://www.chp.gov.hk/ratp/#).
3. Parents/Guardians should record their children's temperature and results of RAT daily, and sign on the record sheet. The record sheet should be returned to school staff/class teacher for checking.

Name of student : _____ Class : _____ Month : _____

Date	Time for taking temperature	Temperature	Rapid Antigen Test with a negative result (pls ✓ , if applicable)	Signature of Parent/Guardian
	A.M. / P.M.	°F/°C
